YOUNG RESEARCHERS FELLOWSHIP, 2021

ISHR
International Society for Heart Research

SERVIER Research Fellowship

This fellowship is designed to foster the work of young researchers in the cardiovascular field

What is the ISHR–ES/SERVIER Research Fellowship?

A €30 000 grant is offered by SERVIER in partnership with the European Section of the ISHR to support a cardiovascular research project within a European research group for a period of up to 1 year.

Who may apply?

Eligibility: Applicants should be less than 35 years of age on July 1, 2021. Applicants must have received their PhD between December 2017 and December 2020 and be a paid ISHR-ES member at time of application deadline. The planned research project is to be completed within one year and should be presented at the ISHR-ES-2021 Meeting (June 29 - July 02, 2021 Turin, Italy)

How to apply?

Send a PDF file containing the following information:

- Curriculum vitae
- List of publications
- A description of your research proposal as a 1-page summary + no more than 6 pages of text
- One letter of support from a supervisor

to Lucie Carrier
l.carrier@uke.de
Receipt of all applications will be acknowledged.

Please refer to instructions and templates on the ISHR Web site: www.ishr-europe.org
