COVER PAGE FOR RESEARCH PLAN

11. Research Plan

This section should be completed by the principal investigator (applicant). The research plan must not exceed 12 pages in addition to this cover page. The narrative sections should be typewritten, double spaced, and in type no smaller than 10-point font, and have no more than three vertical lines per vertical cm according to the outline below. Please note that the UIP requires the 12 pages include all figures and tables. References and letters of collaboration are not included in the 12-page limit. Completed information should be included to permit review of each application without reference to previous applications. **No additional material (such as manuscript reprints etc.) will be accepted.** The principal investigator should prepare the program according to the suggested outline as much as possible. The review panels will consider the information provided as an example of the principal investigator's approach to a research objective and as an indication of his/her ability in this area of research. ***(Please use this page as your signed cover page to the research plan. Consecutively number continuation pages.)***
