

INFORMATION NOTICE FOR FOR THE HEALTHCARE PROFESSIONALS

As a data controller, SERVIER processes your personal data mainly on the basis of its legitimate interest to promote its products along with relevant medical information or on the basis of your prior consent when applicable but also in order to comply with its legal obligations related to pharmacovigilance and transparency. In certain cases (e.g. when you visit SERVIER's premises), your personal data may be also processed in relation to security management, whereas, in case you act as an investigator in the field of clinical research your personal data will also be processed for the execution of your contract with SERVIER.

Your personal data are collected and processed by SERVIER for the following purposes:

- Monitoring of the scientific medical liaison with healthcare professionals (HCP),
- Management of medical information delivery,
- Communication and relationship management and promotional activities (contacts with HCP) including interactions, contractual relationships management, congress and meetings management, therapeutic area experts databases, social media, E-services (e-conferencing, etc.),
- Relationship management activities with HCP in connection with clinical trials and pharmacovigilance activities,
- Transparency management (disclosure of transfers of value from SERVIER to health stakeholders).

Your personal data processed by SERVIER will only be accessible by a limited list of recipients on a need to know basis or where required by law.

Thus, the main categories of recipients will be SERVIER's authorized employees and departments acting within their scope of activities including but not limited to:

- Clinical Operations Department of the coordination,
- Promotional Department,
- Medical Affairs Department,
