

PRESS RELEASE

Béatrice Bihr joins the Servier Group as Executive Vice President General Secretariat and member of the Group Executive Committee

Paris, May 26, 2021 – Servier, a global pharmaceutical group, announces the appointment of Béatrice Bihr as Executive Vice President, General Secretariat. Béatrice Bihr joins the Executive Committee of the Servier Group.

A graduate of Sciences Po and HEC, Béatrice Bihr also holds a postgraduate degree in business law from the Sorbonne and an LLM from the University of Chicago. She is a member of the Paris and New York bars.

Beatrice Bihr spent the first ten years of her career as a lawyer, working for international law firms in Paris and New York. Back in France, she has been Executive Legal Director and Corporate Secretary for companies and groups of various sizes. She previously held this position at the Teva Santé pharmaceutical company.

Beatrice Bihr is also Vice-President of the Cercle Montesquieu and a former auditor of the 71st session "National Defense Policy" of the Institut des Hautes Etudes de Défense Nationale (IHEDN).

Béatrice Bihr began her role as Executive Vice President Corporate Secretary of the Servier Group on April 1st, 2021. She is in charge of the Legal, Compliance, Litigation Management, Public Affairs, Risk Management and Insurance, Brands, as well as Internal Control departments of the Group.

"I am honored to have been entrusted with the opportunity to join the Servier Group and its Executive Committee to contribute to the success of the many transformations underway," said Béatrice Bihr. "The Servier Group is governed by a foundation that gives it independence and a long-term vision which are strategic assets for therapeutic innovation and convinced me to join the Group."

"I am pleased to welcome Béatrice Bihr to the Executive Committee of the Servier Group as Executive Vice President, General Secretariat. Her expertise and knowledge of the international context are assets that we can draw on to achieve our ambition," said Olivier Laureau, President of Servier.

About Servier

Servier is a global pharmaceutical group governed by a Foundation. With a strong international presence in 150 countries and a total revenue of 4.7 billion euros in 2020, Servier employs 22,500 people worldwide. Servier is an independent group that invests over 20% of its brand-name revenue in Research and Development every year. To accelerate therapeutic innovation for the benefit of patients, the Group is committed to open and collaborative

innovation with academic partners, pharmaceutical groups, and biotech companies. It also integrates the patient's voice at the heart of its activities, from research to support beyond the pill.

A leader in cardiology, the ambition of the Servier Group is to become a recognized and innovative player in oncology. Its growth is based on a sustained commitment to cardiovascular and metabolic diseases, oncology, and immuno-inflammatory and neurodegenerative diseases. To promote access to healthcare for all, the Servier Group also offers a range of quality generic drugs covering most pathologies. More information: www.servier.com
