4. How do we secure your personal data?

We put in place adequate technical and organisational measures to ensure security, integrity and confidentiality of your personal data.

These measures are designed with the aim of protecting personal data against unauthorised access, loss, destruction or alteration. In implementing these measures, we take into account the technologies available, the costs of implementation, as well as the nature, context and purposes of the processing of personal data and the risks to the rights and freedoms of the persons concerned.

5. Do we share your personal data

Your personal data processed by the entities of the Servier Group will only be accessible by a limited list of employees of the Servier entities concerned, on a need-to-know basis or when required by law.

Your personal data may also be transmitted to partners with whom the entities of the Servier Group collaborate in order to provide the expected services.

Finally, the entities of the Servier Group may communicate upon request your personal data to the competent authorities, such as public health authorities.

6. Do we transfer your personal data internationally?

The Servier Group is made up of entities located throughout the world. It also works with partners and subcontractors located in many countries throughout the world.

Your personal data may therefore be transferred for the purposes described above to recipients located in a country that does not offer an adequate level of protection. In such a case, the Servier Group will take all necessary measures and guarantees to ensure the security of such transfers (such as the conclusion of European Commission Standard Contractual Clauses).

7. What are your rights?

According to the legal basis for the concerned purpose and when the applicable law provides it, you have the following rights:

- Request access to your personal data
- Update, correct or delete your personal data
- Request that some of the personal data you gave us be provided to you, or to another data controller, in a commonly used and machine-readable format (right to portability of your personal data)
