(1) The claims examines correspond to files that were the subject of an ONIAM report or opinion as well as the judicial files that were the subject of a judicial decision or an expert report allowing a decision to be made about causality.
(2) Some cases may be the subject of several opinions particularly in the event of an aggravation.
(3) SERVIER's offers are based on the opinions of the ONIAM college and apply the compensation grids applied by ONIAM.
(4) Discussions between the patient's lawyer and SERVIER's lawyers.
